

Librarian's Report

Submitted by Kimberly Thomas, Library Director

December 8, 2025

Building:

We had heavy rain on 11/18/25, and our roof leaked. Thankfully, none of the furniture, computers, or books were damaged. It was dripping in between the wood beams next to the computers in the main area in front of the reference desk. We put down a bucket to catch the drips, and I called our insurance. The representative I spoke with at Davies Group said it was best to get someone out right away, and filed a claim. We have a \$500 deductible, which will be on our quarterly POOL/PACT bill. Nevada Exteriors came out from Las Vegas the same day to inspect the roof and prevent any more water from coming in. Davies processed their \$768 invoice, and said they would send out an independent claims adjuster. Davies then sent an independent claims adjuster, Allen Cunningham, on 11/21/25. Davies decided we also needed to have a structural engineer look at the roof. Tobey Terrence and Nevada Exteriors both came out on Friday, 12/5/25 to get up on the roof and inspect it. I have not yet heard back on their findings.

Staff:

Barbara completed a Niche Academy webinar on Recruiting and Engaging volunteers.

Kit completed webinars on AI for Librarians and on Selection and Acquisitions.

Kit has been teaching Alex, who works at Reference, about Interlibrary Loan.

Julie completed several webinars on library technology, teaching technology to patrons, and social media.

Julie has been working on weeding the Young Adult books. Youth Services has Pancakes with Santa at the Bob Rudd Center coming up on Saturday, December 20th from 10:00 am – 12:00 pm.

Collection:

We have received book ordered books from Baker and Taylor, since we had a credit on our account and the company was going out of business. Kit, Julie have been working on finding call numbers, and Barbara has begun processing them.
